FAQs

What is MSSS	MSSS is a web-based system used to purchase UM hospital supplies. Use UMeNET for services and equipment.
When will MSSS go live?	The system will go live late March or early April. A link will be emailed to all end-users that attended training.
Can I still use PMM/Horizons?	No. Unfortunately only one system will be available.
How does it work?	MSSS can be used to create and view purchase requisitions as well as view the VIM and Matrix.
Which login is used?	CaneID. This is the same login used for Workday and Outlook.
For login information, who should I contact?	Contact IT Security at 305-284-6565 and follow the prompts for "CaneID Login."
Will the templates/favorites be available in Strat Sourcing?	Yes. The templates are now called "Favorites" and they will be transferred to the new system.
I'm stuck creating an order.	Contact the MSSS Helpdesk at MSSS.supplychain@miami.edu .
What is the overall process?	<ol style="list-style-type: none"> 1. Open the internet and go to www.MckessonStrategicSupplySourcing.com 2. Login using your CaneID username and password. 3. Create a Purchase Requisition and add items to the cart from the VIM, Favorites, or as a non-catalog item. 4. Add comments and supporting documentation if needed. 5. Submit the Requisition. 6. UM approvals may be required. 7. Track the order using MSSS.
Can't find an item? Try the following.	<ul style="list-style-type: none"> • Ensure that you are searching in the correct area (VIM vs Favorites). • Ensure the search filter is gray so you are seeing all items. • Search a different way such as vendor catalog #, item #, manufacturer catalog #, item description, etc) • Search using entire words such as "Stockinette" not "Stock"
How can an item be added to the VIM?	This process will stay the same as it is today. Contact Gigi Nunez Perez at gnunezperez@med.miami.edu
Will I receive an email notification with each approval?	No, to check the status of the order log into Strat Sourcing, open the requisition and view the approval flow tab.
